Shiv Shikshan Sanstha began its incredible journey in the year 1939. Established with the sole purpose of making quality education easily accessible to the privileged and under privileged locals. The Governing Council of the Shiv Shikshan Sanstha consists of Alumni of the school, who are professionals and bring their expertise in the developmental as well as the day to day operations of the school. Thus, all the school developmental projects are professionally managed. The fact that these professional alumni work out of social responsibility and not otherwise makes the cause even more effective. Many of the school alumni are holding prestigious posts at renowned organizations or are successful entrepreneurs, professionals, reaching great heights of their career. Being in the education sector and serving the society from past 80 years, the governing council of Shiv Shikshan Sanstha has a vision of becoming the torch bearer in the transformation of all Marathi/aided schools with a mantra of 'Lead by Example'.

Objectives of Shiv Shikshan Sanstha:

The core objective being followed by Shiv Shikshan Sanstha is '**Low Cost High Value Education**'. All projects taken by D. S. Highschool are aimed at:

1. Complementing basic education with employability/entrepreneurship skills and holistic personality grooming of the students who discontinue the education after 10th standard due to socio-economic constraints
2. Reducing the negative impact on students by diverting them to value added education, who might be otherwise heading towards criminality or drugs
3. Creating opportunities for the talented students to unleash their potential in various fields
